**QUESTIONS AND ANSWERS AND AMENDMENT**

**QUESTION #1**

I have a question with regard to 6.2 and Finishing. Could you please qualify what the State means by a 'dolly-style' finisher?

**ANSWER #1**

**Please see change below.**

**RFB Originally Read:**

6.2 The state does require a dolly-style finisher. Bidders may include a dolly-style finisher as long as their offer meets the minimum specifications of the Bid. If a dolly-style finisher is offered, it will not have any weight in the bid award determination.

**Change to Read:**

6.2 The state does **not** require a dolly-style finisher. Bidders may include a dolly-style finisher as long as their offer meets the minimum specifications of the Bid. If a dolly-style finisher is offered, it will not have any weight in the bid award determination.
